Statement

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioner/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attorney for applicant filed a responsive Amendment on June 15, 2009. A copy of the Amendment, as filed, is enclosed along with a copy of our receipt card, bearing the date stamp of the mail room of the U.S. Patent and Trademark Office.

A Petition for a three month extension of time was filed on June 15, 2009, and the requisite extension fee of \$555.00 was paid with our check #43159. The deadline for filing a response to the non-final Office Action of December 17, 2008 was extended to June 17, 2009.

Consequently, the Amendment was timely filed, and the Petition should be granted, so that prosecution of the application can be resumed. The Petition fee of \$810.00 should be refunded to Deposit Account No. 08-2455.

Respectfully submitted,

Date:
